

Sisal is a natural fibre rope. Due to its rough structure and high durability, Sisal makes a great choice as a general-purpose rope.

Main Features:

- Tough versatile fibre
- Strong and economical
- Abrasion resistant
- Excellent resistance to sunlight
- Little or no stretch
- Suitable for truck tarping, mooring for small boats, small pulling slings, nets and various industries as a general-purpose rope
- Not to be used for lifting

Bullivants Mfr No.	Diameter mm	Maximum Breaking Force kN	Length m	Unit of Measure
