

V-SERIES LANYARDS

AS/NZS

Complex Worksites. Simplified Solutions.

The V-Series Lanyard line simplifies productselection by offering a concise line of lanyards thatmeet a wide range of customer's needs. Reduce snag and trip hazards and increase worker flexibility with the stretch style webbing. Abrasion resistant cover for the energy absorber provides additional protection for increased service life. All Stretch lanyard can be easily identified by special label  that can be seen on the energy absorber cover. MSA also offering the Standard Adjustable Lanyard with Energy Absorbing to complete our new V-Series Lanyard product line.
