

RIIHAN208E

Perform Dogging

Introduction:

Bullivants is a Registered Training Organisation (RTO Number **46208**) registered with the Australian Skills Quality Authority. Upon successful completion of the course, Bullivants will provide the participant with a Statement of Attainment for RIIHAN208E Perform Dogging.

Designed For:

The Perform Dogging course is designed for participants required to undertake the application of slinging techniques to move a load (including the selection and pre and post inspection of lifting equipment) and/or the directing of a crane/hoist operator in the movement of a load when the load is out of the view of the crane/hoist operator.

Description:

This course gives both theory and practical instruction on the application of slinging and dogging methods to achieve your Dogging competency. It includes risk assessment, pre and post use inspection of equipment, job step planning (JSA/SWMS) and practical application of lifting methods as per Australian Standards, WorkSafe, OH&S and other statutory requirements.

Duration:

3 days - max. 6 participants.

Entry Requirements:

Participants must be 16 years or older and provide photo Identification is required to be sighted prior to course commencement.

Assessment:

Participants will be assessed on practical activities and a written assessment.

Delivery Method:

This course is delivered at customer sites via PowerPoint presentations, audio-visual material, individual and group activities and practical applications which simulate real working environments. Participants are required to bring PPE including high visibility clothing (long sleeve shirt and pants), steel cap shoes, safety glasses and rigging gloves.

Note: This course is a statement of attainment only and does not provide a high-risk licence. To obtain the high-risk licence, the participant must attend a registered Assessor recognised by the relevant State/Territory.
