

Magnetic Anchor Point, Retrieval Tool

No touch safety tool for material handling, load control & holding

MAGNA-GRAB MAGNETIC HAND SAFETY TOOL

A portable magnetic tagline anchor point for suspended loads that don't offer an ideal attach point or when a quick "add on" control point is needed. Magna-Grab is also an amazingly versatile long reach, confined space retrieval or pick up tool for dropped objects. It can also be used as a holding and positioning hand tool.

Features:

- Magnetic load control, tag line anchor point and retrieval tool
- Knurled hand grip
- Compact and lightweight
- Rugged and durable
- Easy to attach/release
- Ideal to use in oil rigs, drill rigs, large tanks, utility vaults, manholes, trenches, pits and shafts
